
Take A Girl Like Me

Amy Bohan with Jordan Paramor

Market

Misery memoir market.

The book

Amy grew up in Wales in a normal family, and excelled at sport - she competed at an international level for her country in athletics. Then she was spotted by a model agent, and went to London to work on the Fashion Week catwalks. Very soon, she was addicted to cocaine and alcohol, stopped eating, and her life rapidly spiralled down until she found herself at the mercy of a dealer who regularly raped her. Her extraordinary story pulls no punches, and gives the lie to the glamorous image of Fashion Week and the tabloid perspective of London nightlife. The reality is much more dangerous, and much more vicious, than any glitzy party description. Amy's story, told with complete candour to top writer Jordan Paramor, will be of interest to families throughout the country who fear for the safety of their daughters who may be setting out to make it in the capital.
